

Pig Supplies

Pig Whip

Rice Root Brush

Mane and Tail Conditioner

Hanging feeder

Stall fork

Spray bottle for conditioner

One pound coffee can to measure feed

TELGE BARN

Lockable trash can or feed container

Water source (if raising at home)

Shavings (4-5 bags for pen)

We do not suggest Tractor Supply shavings or shavings from a saw mill. These are known to carry mites. Instead, buy heat treated, large flake pine shavings from a feed store. They may cost more upfront, but they will last longer and save you money in the long run.
