

Hang on Feeder

One pound coffee can to measure feed

2 gallon water bucket

Large flake pine shavings

Blankets:

- Use a canvas blanket at all times. A mesh one will not work as efficiently.

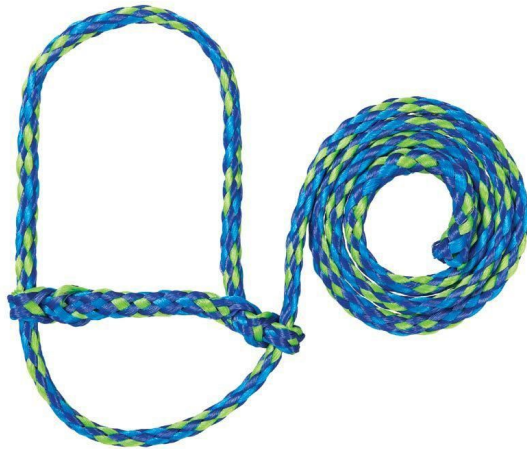

Correct:

- A sock does NOT replace a canvas blanket, it can be used with a canvas blanket in extreme cold temperatures (AKA ice on the ground). A sock should be used to supplement the canvas blanket, not instead of.

Halters/Chains/Supplies:

Use rope halters versus nylon:

○

GOATS ONLY Use a goat show chain that either has a plastic or leather handle.

Lambs only:

Cotton Leg Wrap- consult ag teacher before you get them to ensure you are getting the right ones.

Muzzles

Mane and Tail conditioner

Spray bottle

For animals at the Telge Barn

Locking container for feed
